

Sandringham Season Ticket

The beautiful gardens of Sandringham House are always changing with the seasons, and a Sandringham season ticket makes it very easy for you to visit again and again, either alone or when accompanying visiting friends and family.

The season ticket costs £32, or £48 for a couple and £64 for a family (2 adults and 2 children under 16), and it gives unlimited entry to the Gardens and Museum throughout the 2017 season.

Of course you may visit Sandringham House as well, by paying a small supplement at the House front door - £4.00 for adults and seniors and £1.00 for children.

The season ticket entitles you to a 10% discount in the Gift Shop and Plant Centre whenever you show it; it also entitles you to take as many guided garden tours as you like, completely free of charge, although naturally we will ask you to give priority to paying members of the public on these tours.

When you have completed and returned the application form and payment, we will send you one card for each adult named on the form. Each card needs a photograph of the holder and their signature to make it valid. Then just show your card at the Ticket Office whenever you visit, and the 60 acres of walks and glades, lakes and streams, are open to you all day.

We look forward to welcoming you to Sandringham many times in 2017.
